

Web Development

Candidate Assessment Test

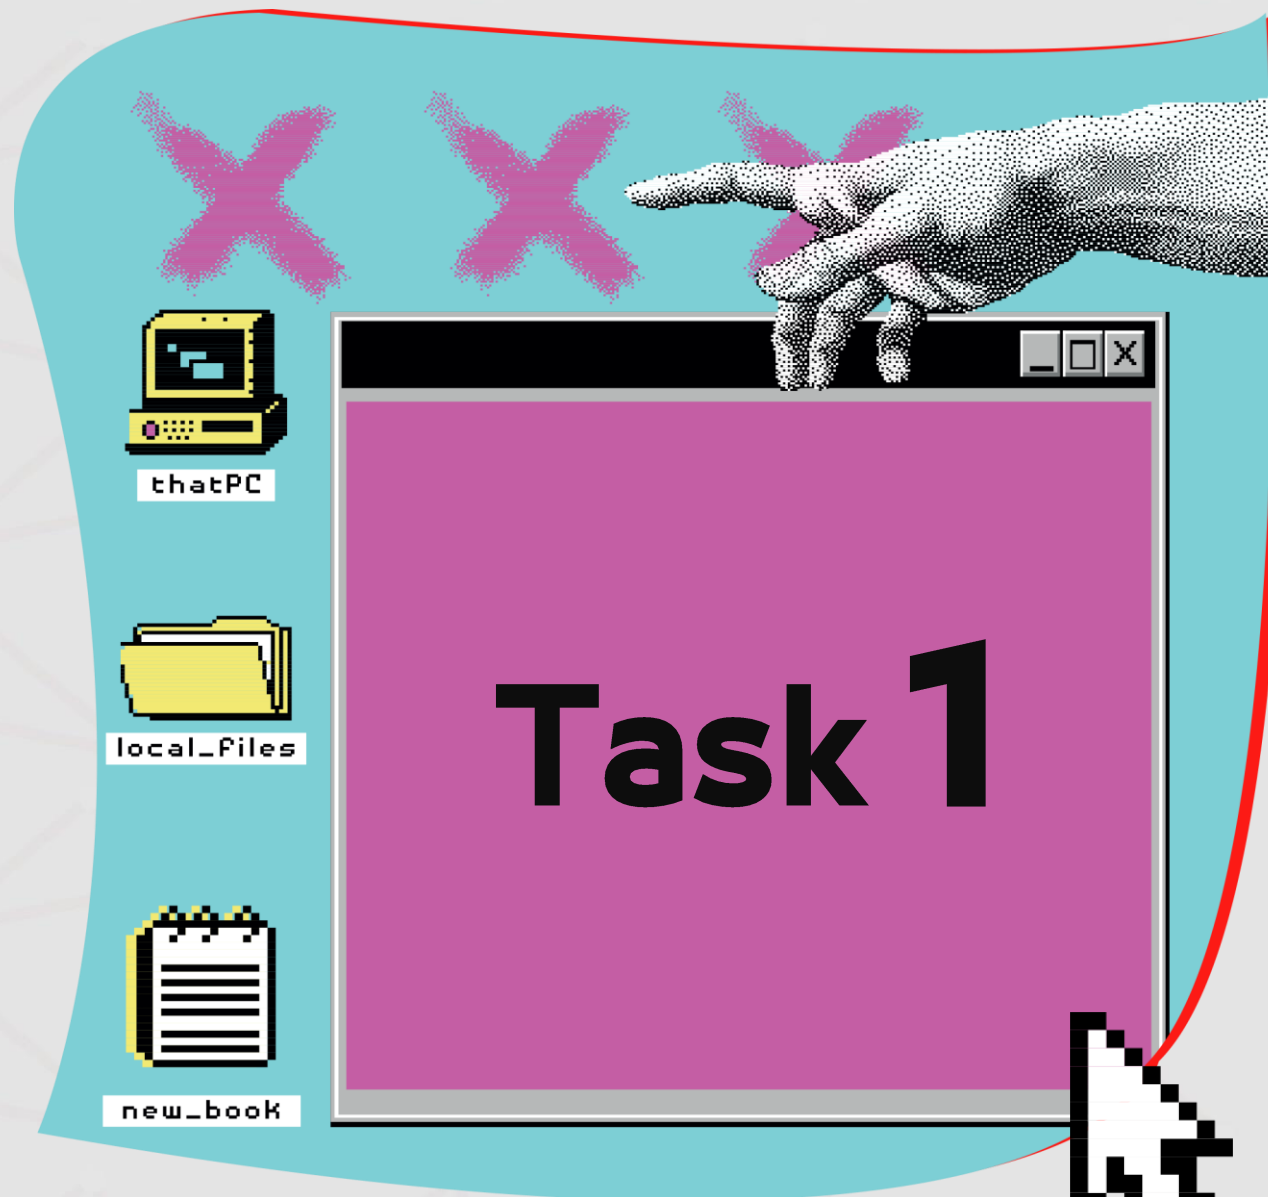

A white cloud is in the top left. A white bell is in the top right. A small potted plant is at the bottom left. A magnifying glass is on the right. A red silhouette of a person's head is on the right. A red line with two circles is at the bottom left.

**Hello
Candidate,**

Congratulations, We are
pleased to inform you that you
have passed the first round of
our interviews.

At this stage, We want to
understand how you really think
and perform.

Wish you all the best of luck!

Create An Admission Form

Client:

Digital Bond

Brief:

A digital marketing agency that mixes and matches creativity and commitment to help brands go beyond the limit.

Services:

Social Media – Web Development – Mobile Apps – SEO Optimization – Influencers Marketing – SMS CAMPAIGNS – Media Production

Task:

- You are asked to create a well-designed landing page for an admission form containing different field types.
- The page's elements should include some motion & effects.
- This admission form is dedicated to letting users apply for Digital Bond vacancies.
- After submitting the form a thank you page should appear for the users.
- Keep in mind adding an efficient validation besides making the page friendly and compactable with different screen sizes.
- **The required fields are:** Name – Position – Availability Date – Expected Salary – Date Of Birth – Address – Phone Number – Email – Marital Status – Attach File Button.

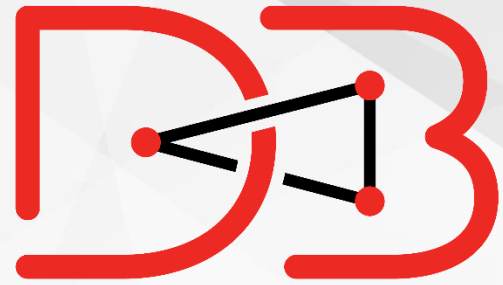

Task Delivery Regulations

- Upload the task on GitHub.
- Task should be delivered with 2 branches:
 - A) Master branch: For the code.
 - B) 2nd branch: A build version + Demo on GitHub page.
